BURREN FOOD TRAIL

Don't just visit the Burren... Taste it!

The fertile valleys of the Burren have long been known for their quality food produce, particularly for the production of beef and lamb thanks to a unique and ancient system of farming. In recent years, this food tradition has expanded through the emergence of many award-winning chef-led restaurants and high quality artisan food producers, as well as an increase in practising market gardeners and growers.

We invite you to join us and get involved in our Burren Food Story. We are passionate about our food, growing and producing it locally for you to enjoy. Themed trails and a weekly food series uncover the path your food takes from field to plate. Come along and meet the producers, dine in award-winning restaurants and learn about the fertile valleys of the Burren.

Welcome to the Burren and Cliffs of Moher UNESCO Global Geopark.

'Global Geopark' is a UNESCO designation, awarded to regions with outstanding geology and unique cultural heritage, managed in a sustainable way. In the Geopark you will find an internationally acclaimed landscape, forged by nature and humans, where cultural traditions co-exist with contemporary life.

Maintaining our International Treasure

Our aim is to balance the conservation of our unique landscape with the need to support livelihoods and develop thriving communities. With the help of an EU LIFE programme, we are working together to balance conservation with the development of excellent tourism experiences.

We invite you to stay a while, explore, discover and enjoy our special place.
