

An Irish Hoolie Experience

The Farmyard "Irish Hoolie" is a night of traditional food and entertainment showcasing the best of what the Burren has to offer.

Continuing an old Farming tradition the Farmyard opens its doors to a fantastic celebration of Irish culture where music, food and folklore comes together to produce a great nights entertainment:

The night commences with a drinks reception followed by a warm welcome and evening prelude. This introduction will include stories of the traditions of "An Irish Hoolie" and the background of Irish food some of which you are about to sample. This will be followed by a delicious three course meal of traditional home style cooking using fresh organic farm to fork produce.

Once the meal is completed guests will head outside for our infamous Farmyard Sheep Race.

Afterwards adjourn to the barn where you will be entertained by a spectacle of music and dance programmes featuring the best of Irish culture. As a guest, you can learn a traditional Irish song and experience age-old storytelling; taste sumptuous food and when the party really gets going, you can sit back and listen to Irish traditional music or, in true Irish spirit, step up and join the craic (fun)!

Top Tip: Bring warm Clothes as part of the programme is outside.
